We consulted the best medical talent.

They said there was no help for me, that I had organic disease of the heart for which there was no remedy. I had read your advertisement in The Graphic and a year ago, as a last resort, tried one bottle of Dr. Miles' New Cure for the Heart, which convinced me that there was true merit in it. I took three bottles each of the Heart Cure and Restorative Nervine and It completely cured me. I sleep well at night, my heart beats regularly and I have no more amothering spells. I wish to say to all who are suffering as I did; there's relief untold for them if they will only give your remedles just one trial."

In Miles Heart Cure is sold on a positive guar intecthat the first bottle will benefit. All a aggists cell it at \$1, 6 bottles for \$5, or it will be ant prepaid, on receipt of price by \$1.5 Dr. Llines Medical Co., Elkhart, Ind.

PEACE AFTER MANY BATTLES.

The Sioux and Chippewa

Tribes Smoke the Pipe of Peace.

Ashland, Wis., Sept. 12.-An important historical event has just occurred in the city. The Sioux and Chippewar, two of the most powerful tribes of American Indians and bitter enemies for centuries, smoked the pipe of peace. The chiefs of both tribes were Dr. Price's Cream Baking Powder present. The spot where the pipe of peace was smoked is the scene of one of the most bloody battles between these two tribes in the memorable campaign of 1842. Chief Cloud of the Chippewas made an address, in which he said:

"In times bygone we have been enemies, but we are now with good feeling and our hearts are as pure as the flags we carry. While we love our forefathers, we are proud of advance in civilization and greet you in the dawn of a new era as friends."

Rocky Bear and Flat Iron responded for the Sioux. The action will be officially ratified by the different tribes of Sioux in the west.
